Friends of the Legion,

Place your name on a Brick Paver and help support our Veterans. Securing a paver on our grounds also counts towards our efforts to preserve the Life Saving Station where our Post is located. The building was built in 1895 and is on the National Registry of Historic Places as well as on the New Jersey Registry. To show your support and to be part of our history:

- Make a minimum tax-deductible donation of $100 to the American Legion Post 331 to reserve your paver
- The 6" x 9" brick paver will be placed on the walkway to the entrance to the Life Saving Station
- Each paver may be engraved with up to five (5) lines of print, each line with up to twelve (12) characters, including spaces and punctuation. Lettering may be in all capital letters or upper and lower case.
- Many Donors name the paver for a family or friend Veteran, others simply want to honor Veterans. Some Donors have more than 1 paver and have them grouped together. After we receive your form and donation, we will include it in our next placement cycle.
- Pavers will be placed randomly throughout the area and special positions cannot be accommodated. Grouped will be placed together
- Make Checks Payable to: American Legion Post #331
